

Musical Notes

December 2013

Cancel lessons via website

Pro-Music Richmond Hill has added a new service on the school website for students who need to cancel their lessons. Simply go to www.pro-music.ca and complete the form in **Cancellations**, our staff will contact you within 1 business day.

Progress Reports

Progress report cards will be sent home in the week of December 9 – 14. These reports will focus on your child's technique and musical development. If you have any questions or concerns, please do not hesitate to talk to your teacher or contact us.

Celebrate Christmas with the Gift of Music

This Christmas, show friends and family you care by giving them the timeless gift of music. Our Christmas lesson package has all the trimmings to make for great memories, including instrument rental! Ask our front desk for more information and check out our display for great gift ideas.

Snow Storms

In case of class cancellations due to snow storms, we will **NOT** call students individually. Please check the school website or call us 2 hours before your lesson to confirm if classes have been cancelled. Make up lessons will be granted for snow storm cancellations.

New Session of Group Piano

With the New Year quickly approaching, it makes for a great opportunity to try something new! Your child might just fall in love with it. Our group piano classes are designed for children who are 5 – 12 years old. Ask us or visit www.pro-music.ca for more information!
