Our Theory Teachers

Fernando Baldassini B.F.A., B.A./EDU., ARCT

In 1992, Fernando graduated from York University, studied compositions with James Tenney. During these years, he wrote many original compositions in all styles including a 10-minute background score used by a major advertising company. Fernando continued his studies in music education and graduated with a Bachelor degree in Education from University of Toronto in 2002. Over the years, Fernando's love for teaching is reflected in the success of his students as many of them are currently on staff in music studies. He has students received First Class Honours with Distinction in ARCT theory courses.

Fernando Baldassini 's Google Classroom

1. Students need to have Gmail Account.
2. Before the start date, teacher will call parents to explain the online procedure.
3. Weekly lecture will be posted online and weekly homework will be assigned.
4. Students will import completed homework into Google Classroom.
5. For all harmony and analysis classes, teacher will mark homework and follow up with students individually via phone meetings.
6. For all history classes, weekly virtual group discussion will be arranged.
7. Connect with the teacher if extra help is needed.
8. Mock exams will be arranged at the end of the course.

Cara Tors B. Mus., M. Mus

Cara composed her first song at the age of 5 (Busy-Dizzy Day) and her first piano piece when she was 11 years old (Lunchtime). Since Lunchtime, she has further explored piano composition. In 2015, she completed a Bachelor of Music degree with a History/Theory specialization from the University of Toronto. Cara then completed a Master of Music degree in Music Technology and Digital Media at the same school, in 2019. Throughout these years, she wrote works for piano, voice, choir, violin, brass quintet, and more. Currently, she is working on her first musical, From Straw to Gold, based on the tale of Rumpelstiltskin. Cara enjoys teaching children, and has instructed them in piano, theory, history, vocal, and composition.

Cara Tors' Zoom Classroom

1. Online, interactive lessons via Zoom
2. Teacher will email parents for the Zoom meeting ID and password.
3. Teacher will email parents course outline and timeline, and will continue to keep parents up -to-date on their children's progress.
4. Weekly homework will be assigned and students will submit completed homework via email.
5. Small class, max 6 students for online class
6. Submit homework through email.
7. Mock exams will be arranged at the end of the course.
